

# *Onobica Mix*

MADE IN ITALY

CATALOGUE 2026

# Company Profile

Based in Canonica d'Adda (Bergamo), not far from Milan and in one of the most strategic areas in Europe, we are producers of semiprepared powder mixes for the **Ho.Re.Ca. Market**, working in the **B2B channel**.

Thanks to our strong market-oriented connotation, we treasure the **thirty-year experience** of our founders that, during time, have developed and improved our knowledge in order to keep in line with new technologies and market demands.

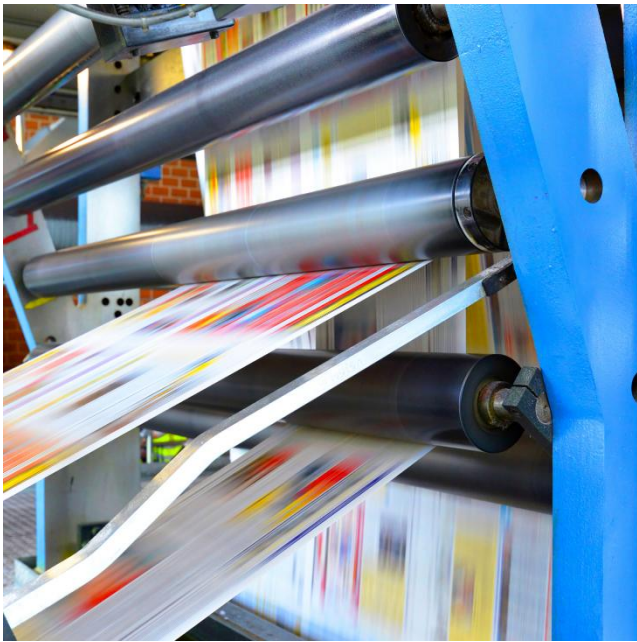

Our creed lies in the quality continuous **improvement** and in the **evolution** of the offered services, in order to confirm as a reliable partner, supporting every customer in their own process of growth.

Since 2019, we hold **BRC** and **IFS** certifications, which are internationally recognized standards for food safety and quality management

We are also **officially registered with the FDA**, ensuring compliance with U.S. regulations for food safety and import requirements.

# How we support your business

## PRIVATE LABEL

We offer a **Private Label service**, allowing businesses to market high-quality food ingredients under their own brand. This service is ideal for companies looking to differentiate themselves in the market with customized products while relying on OrobicaMix's expertise and certified production standards.

## CUSTOMISED PRODUCT

We **tailor formulations**, packaging, and labeling to match your brand identity and market needs.

Our products meet **BRC, IFS, and FDA** certifications, ensuring compliance with international food safety regulations.

We offer **flexible Packaging Options**, from bulk packaging to retail-ready formats, we adapt to your business requirements.

## END-TO-END SUPPORT

We assist you throughout the process, from **product development** to final delivery, ensuring a smooth and efficient experience.

Our team is available to provide **guidance** on product selection, usage, and formulation adjustments.
